PETITION UNDER 37 CFR 1.181

Sir:

In response to the Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office ("Notice"), a true copy of which is attached for ease of reference, Applicants submit this Petition under 37 CFR 1.181. The Notice states that the name of one of the inventors, G. Eric Engstrom, is listed as G. Eric Engstrom on the Declaration and as Eric G. Engstrom on the International Application. The Notice requests clarification.

The International Application as published by the International Bureau does reflect the inventor's name as Eric G. Engstrom, however the PCT Request submitted with the International Application correctly reflects the inventor's name as G. Eric Engstrom on Sheet No. 2 of the Request and on Sheet No. 5 of the Request (which Sheet No. 5 constitutes part of the Declaration of Inventorship). A true copy of the Request is attached for ease of reference. The International Application was published with a typographical error generated by the International Bureau.

IPG No. P058

SEA/109909/146503/YLC/357374.1

It is intended that the National Stage Application should be prosecuted with the correct spelling of the inventor's name, with the initial "G." preceeding the name "Eric", and the Examiner is respectfully requested to so note this intention in the record.

Applicants have notified the International Bureau of the typographical error in the published Application and have requested republication as is demonstrated by the attached copy of a communication to the International Bureau dated May 25, 2006.

It is believed that, notwithstanding the surcharge called for in the Notice, no fees are currently due in association with this Petition. Should that belief be incorrect, the Commissioner is hereby authorized to charge shortages or credit overpayments to Deposit Account No. 500393.

Accordingly, Applicants respectfully request timely examination of the present application.

Respectfully submitted,  
SCHWABE, WILLIAMSON & WYATT, P.C.

Re: International Application No. PCT/US2004/022150  
Title: SHARED INPUT KEY METHOD AND APPARATUS  
International Filing Date: 9 July 2004  
Applicant: Wildseed Ltd. et al.  
Our File No.: 109909/138061

Dear Sirs:

It has been brought to our attention by the United States Patent & Trademark Office that there is an inconsistency in the above-referenced matter's published application that has, until now, been previously unnoticed but requires correction.

The second inventor is listed in the published application as Eric G. Engstrom, however the PCT Request (Sheet No. 2 and Sheet No. 5) as well as the PCT Power of Attorney submitted therewith reflect the inventor's name as G. Eric Engstrom. Copies of the PCT Request as well as the PCT Power of Attorney are attached for ease of reference.

In light of the fact that the mis-publication of the inventor's name came about as the result of a typographical error at the International Bureau and in consideration of the potential for confusion in subsequent national stage applications, we respectfully request that the typographical error be remedied and the application re-published.

The International Bureau of WIPO
